

Providence Classical School

Classical Christian Education K-12

School Mission

Our mission is to assist parents in training their children to love the Lord their God with all their hearts, souls, and minds. Using a classical methodology and proven curriculum, the mission of PCS is to provide students the necessary tools to acquire, comprehend, express, and defend knowledge from a Biblical worldview and to equip them to fulfill the calling God has for their lives.

Student Enrollment

116 students are enrolled at Providence. The Upper School comprises 30 pupils. PCS welcomes students of any race, sex, religion, and national or ethnic origin.

Class Size

The average PCS classroom does not exceed 16 students. By maintaining a small class size, PCS teachers are able to develop and maintain strong relationships with each student.

Schedule

The PCS Upper School employs a college-style schedule which operates Tuesday through Friday and consists of 60-75 minute classes. The unique calendar places a premium on student efficiency, organization, and productivity.

Accreditation

PCS is accredited through the Classical Latin School Association.

Faculty

Our Upper School faculty consists of 11 teachers, all of whom hold bachelor's degrees, with 7 out of 11 holding advanced degrees.

House System

All upper school students are placed into one of three houses for purposes of camaraderie and friendly competition. Through our house system, our students gain valuable leadership, fellowship, and community service opportunities.

Academic Year Structure and Grading Scale

The academic year consists of three trimesters. Only final grades are recorded on the student transcript. Grades and course weight are assigned according to the South Carolina Uniform Grading Policy: 90-100 (A); 80-89 (B); 70-79 (C); 60-69 (D); and <60 (F). Grade point average is computed on a scale using all academic courses credited toward high school graduation. Class rank is based on cumulative GPA. All students in the class will be included in the rank, which will be printed on the final transcript at the end of each academic year from grades 9-12.
